LETTER CIRCULAR

Information: X  Date: 4th May 2015

Action Required: X  Ref: DCM 118/2015

To: All Heads of Primary and Secondary Schools (State and Non-State) and Sections

From: Dr Christine Firman – Education Officer, Literacy

Subject: Reading Development Courses

The Specific Learning Difficulties (SpLD) Service will again be running courses for parents to support children with dyslexia and those who have become reluctant readers as a result of difficulties encountered in reading.

The course aims at giving parents hands-on strategies for the further development of reading.

Heads of school are kindly asked to bring the attached information (application form and programme of sessions) to the attention of parents who might benefit from attending such a course.

Thank you for your collaboration.
